

Benfield and Hangleton Primary Schools maintain their uniqueness, whilst combining their resources, leadership and governance through federation.

We pride ourselves on uniting the best of both worlds to ensure the highest quality of education for all. This involves the schools having a single Executive Head, Mrs Emma Lake and Governing Body who work strategically across both schools.

Applying for a school in 2018?

Join our Headteacher's tour to look around our schools and see our fantastic children in action:
